INTRODUCING THE SPORTS ACCIDENT PLAN

Face it – accidents are part of sport, but there is a way you can protect yourself financially...

We're told that regular participation in sport is good for your health. It can help keep you fit, keep your mind sharp and get your heart racing. You'll also develop new friendship groups along the way and share unforgettable moments of triumph, and failure.

WHAT'S NOT TO LIKE?

But by putting your body on the line, it puts you at greater risk of injury. And when injury happens, it can cost you financially. Perhaps you'll need to take time off work to recover. You may need help getting around. And there may be damaged equipment that needs repair or replacement.

Whenever your favourite pastime starts costing you like this, it starts to become less enjoyable. Rather than enjoying the moment, you start fearing the worst.

This is why we've created the Sports Accident Plan. It's for the sporting warriors **just like you** – who want to enjoy sports knowing that if a serious accident takes place, you'll get money to help with your costs.
