CONDITIONS

INFORMATION YOU HAVE GIVEN US

In deciding to accept this insurance and in setting the terms and premium, we have relied on the information you have given us. You must take care when answering any questions we ask by ensuring that all information provided is accurate and complete.

If we establish that you deliberately or recklessly provided us with false or misleading information we will treat this insurance as if it had never existed and decline all claims. However, if we establish that, unknown to you, an Insured Person deliberately or recklessly provided false or misleading information we shall treat this insurance, in so far as it relates to the Insured Person concerned, as if it had never existed and decline all claims relating to such Insured Person.

If we establish that you carelessly provided us with false or misleading information it could adversely affect your insurance and any claim. For example we may treat this insurance as if it had never existed and refuse to pay all claims and return the premium paid. However, if we establish that, unknown to you, an Insured Person was careless in providing information then we shall treat this insurance, in so far as it relates to the Insured Person concerned, as if it had never existed and refuse to pay claims and return a proportion of the paid premium that relates to such Insured Person. We will only do this if we provided you with insurance cover which we would not otherwise have offered;

If we establish that you or an Insured Person was careless in providing us with the information we have relied upon in accepting this insurance and setting its terms and premium we may:

- amend the terms of your insurance. We may apply these amended terms as if they were already in place if a claim has been adversely impacted by you or an Insured Person's carelessness; or
- charge you more for your insurance or reduce the amount we pay on a claim in the proportion the premium you have paid bears to the premium we would have charged you; or
- cancel your insurance in accordance with the "Cancelling this insurance" section that follows.

We or APRIL UK will write to you if we:

- intend to treat this insurance as if it had never existed; or
- need to amend the terms of your insurance; or
- require you to pay more for your insurance.

NOTIFYING US OF ANY CHANGES OR INACCURACIES

If you become aware that information you have given us is inaccurate or has changed, you must inform APRIL UK as soon as practicable.

When we are notified that information you previously provided is inaccurate, or of any changes to that information, we will tell you if this affects your insurance. For example we may amend the terms of your insurance or require you to pay more for your insurance or cancel your insurance in accordance with the "Cancelling this insurance" section that follows.

If you fail to notify us that information you have provided is inaccurate, or you fail to notify us of any changes, this insurance may become invalid and we may not pay your claim, or any payment could be reduced.

CANCELLING THIS INSURANCE

You can cancel this insurance at any time by writing to APRIL UK.

We can cancel this insurance by giving you thirty (30) days' notice in writing. We will only do this for a valid reason (examples of valid reasons are as follows):

- Non-payment of premium;
- A change in risk occurring which means that we can no longer provide you with insurance cover;
- Non-cooperation or failure to supply any information or documentation we request; or
- Threatening or abusive behaviour or the use of threatening or abusive language.

REFUND OF PREMIUM

This insurance has a cooling off period of fourteen (14) days from either:

- the date you receive this insurance documentation; or
- the start of the period of insurance

whichever is the later.

If you cancel this insurance within the cooling off period then, provided you have not made a claim, we will refund in full any premium you have paid.

If this insurance is cancelled outside the cooling off period then, provided you have not made a claim, you will be entitled to a pro rata refund of any premium paid, less a 15% cancellation fee (subject to a minimum of £25).

If we pay any claim in whole or in part, then no refund of premium will be allowed.

The Underwriters shall only be liable:

- under Item 1 of the Schedule of Benefits if death occurs within twenty-four calendar months of the date of the accident.
- under Items 2 to 6 of the Schedule of Benefits if the period of Total Disablement giving rise to the claim for this Item commences within twenty-four calendar months of the date of the accident and lasts for twelve consecutive calendar months or more.
- under Item 7 of the Schedule of Benefits if the disability giving rise to the claim under this Item manifests itself within twenty-four calendar months of the date of the accident and lasts for twelve consecutive calendar months or more.

In respect of any accident covered under this insurance no benefit will be payable under more than one of the items in the Schedule of Benefits in respect of the consequences of one Accident, and no Temporary Total Disablement benefit will become payable until the total amount has been ascertained and agreed. Where any payment is made for Temporary Total Disablement benefit, the amount paid will be deducted from any lump sum subsequently payable in respect of the same Accident.

In the event that an accident covered under this Insurance should result in the death of the Insured Person within twenty-four calendar months of the date of such accident and prior to the definite settlement of a claim for disablement as provided for under Items 2 to 7 of the Schedule of Benefits, there shall be paid instead of such claim for disablement the Sum Insured payable for Item 1 Accidental Death.

If the Insured Person disappears during the period of insurance and is not found within twelve months of disappearing, and that sufficient evidence is produced that leads Underwriters inevitably to the conclusion that the Insured Person has sustained Bodily Injury and that such injury has caused the Insured Person's death, the Sum Insured for Item 1 Death shall become payable hereunder. If at any time after such payment the Insured Person shall be found to be living, the sum thus paid shall be refunded to the Underwriters.

If at the expiry date of the period of insurance the Insured Person is subject to the control of persons effecting a hijack or kidnap, cover under of this insurance will continue without additional premium for a further period not exceeding twelve calendar months in all until the Insured Person has been released and has travelled direct from the place of his detention to his home or original destination.

EVIDENCE REQUIRED

In connection with any claim:

- all medical certificates, reports, information and evidence required by the Underwriters to substantiate that claim must be supplied at the Assured and/or Insured Person's own expense and in such form as the Underwriters may reasonably require;
- the Insured Person must undergo a medical examination and provide medical evidence to the Underwriters (at the Underwriters expense) as often as the Underwriters may reasonably require following receipt of that claim; and
- no benefit shall be payable in respect of that claim where the Insured Person fails to undergo such medical examination or provide such medical evidence as referred to in B above.
